

GOVERNMENT OF JAMMU & KASHMIR  
State Institute of Education, Kashmir

Bemina Bypass, Srinagar. Pin Code: 190018

**Circular**

The Hon'ble Minister For Education during his interaction with the officers of Education Department on May 11, 2018 inter alia emphasized the role of DIETs and SIEs in the State education sector stressed the DIETs and SIE to play pivotal role in bringing the changes in the education system and take it to the new heights.

While discussing the role and responsibilities of training Institutes for propagating the educational excellence in educational institutions of the State, the Hon'ble Minister stressed that the research and action research should be done in DIETs and SIEs which is important to innovate and create new methodology in the entire education system. He further desired to share the past 05 years research and action research work with him.

In furtherance of above, Hon'ble Minister during his maiden visit to DIET Srinagar and SIE Kashmir on May 11, 2018 directed the officers to introduce market oriented professional courses, adopt latest teaching methods and seek technological interventions in teaching methodology. Besides, he urges the faculties of SIEs and DIETs to do away with the stereotype training methods and desired that the trainings should not be confined to award certificates only but to monitor the output in the field.

He further urged that the need of the hour is to impart training on modern lines by using new methodology and latest technology so that the Master Trainers are able to deliver the best quality teaching down the line. In order to monitor the output of Master Trainers it was also urged to develop/ devise a mechanism to assess teaching standards and efficiency.

It is accordingly impressed upon all sub-offices; to strictly follow the aforesaid instructions, to do away with the stereotype training methods, to introduce the latest methodology and technology while training the teachers and to devise/ develop monitoring mechanism to assess the impact of the trainers and training in the field and to submit the past 05 years research and action research done by field functionaries. The follow up action in the matter be shared with this office on weekly basis.
